

VICAR

The parish of Brownhills with Ogle Hay

Are you being called to join us in sharing the love of Jesus through serving the community?

The parish of Brownhills serves 13,000 people on the edge of Cannock Chase and six miles south west of Lichfield. It is probably the only parish in the UK with a huge tin statue of a coalminer at its centre.

We are a friendly and welcoming evangelical church with a variety of styles of worship.

We are praying for a vicar who will:

- engage with children, teenagers and young families and help them grow in faith and understanding
- lead us forward in worship, spiritual growth and outreach, working towards a stronger commitment at all ages
- build on strong community links to develop positive attitudes and a closer relationship with God
- develop a programme of evangelism for areas where there is great spiritual need

We have 4 lay readers (one retired but with PTO) and employ a part-time children and family worker.
